

A LIFESTYLE DESTINATION...

MADINA MAC
RESIDENCY

PARTNERS' MESSAGE

MAC & SE Developers is a joint venture between Salman Enterprises and Mac Builders. This partnership aims to provide a state-of-the-art living and shopping experience for the residents of Islamabad.

As partners of Mac & SE Developers, we are responsible for driving our business forward to the benefit of all our stakeholders and provide them with maximum return on their investments.

With vast experience in the real estate construction industry, we are working with some of the best teams of architects, engineers, and contractors to build the next landmark destination in the center of the most liveable community in the twin cities.

PAST PROJECTS

SALMAN ENTERPRISES

Salman Enterprises was established in 1989 by Mr. Asrar Ahmed Khan based in Karachi. Since then it has managed to conceive, plan, develop, and market several state-of-the-art residential and commercial projects in Karachi, Dubai, and now in Islamabad. All of these projects were initiated after careful strategic planning and research to ensure high standards in construction and quality living. A team of dedicated and qualified architects, engineers, and town planners have been instrumental in launching these projects that thrive today as major business and residential centers.

MAC BUILDERS & DEVELOPERS

The company has built a reputation of completing industrial, housing, and high rise projects in record time. One mega project after another is standing testament to the world for its implementation of green ingenious designs, the latest safety systems, the most modern facilities and amenities for its residents along with providing a friendly and convenient environment for everyone. Provision of comfort and best value for money has been the core objective.

ISLAMABAD

Located in the foothills of Margalla, Islamabad is one of the most beautiful capitals of the world. The city of four seasons is a perfect blend of natural splendor, urban sophistication, and the governing power house of Pakistan. The mesmerizing green canopy of Margalla Hills and various lush green parks in the city add flavor to its beauty and life in general. Islamabad is the only planned city in Pakistan, offering tranquility and peace of mind with the lowest crime rate and pollution factor.

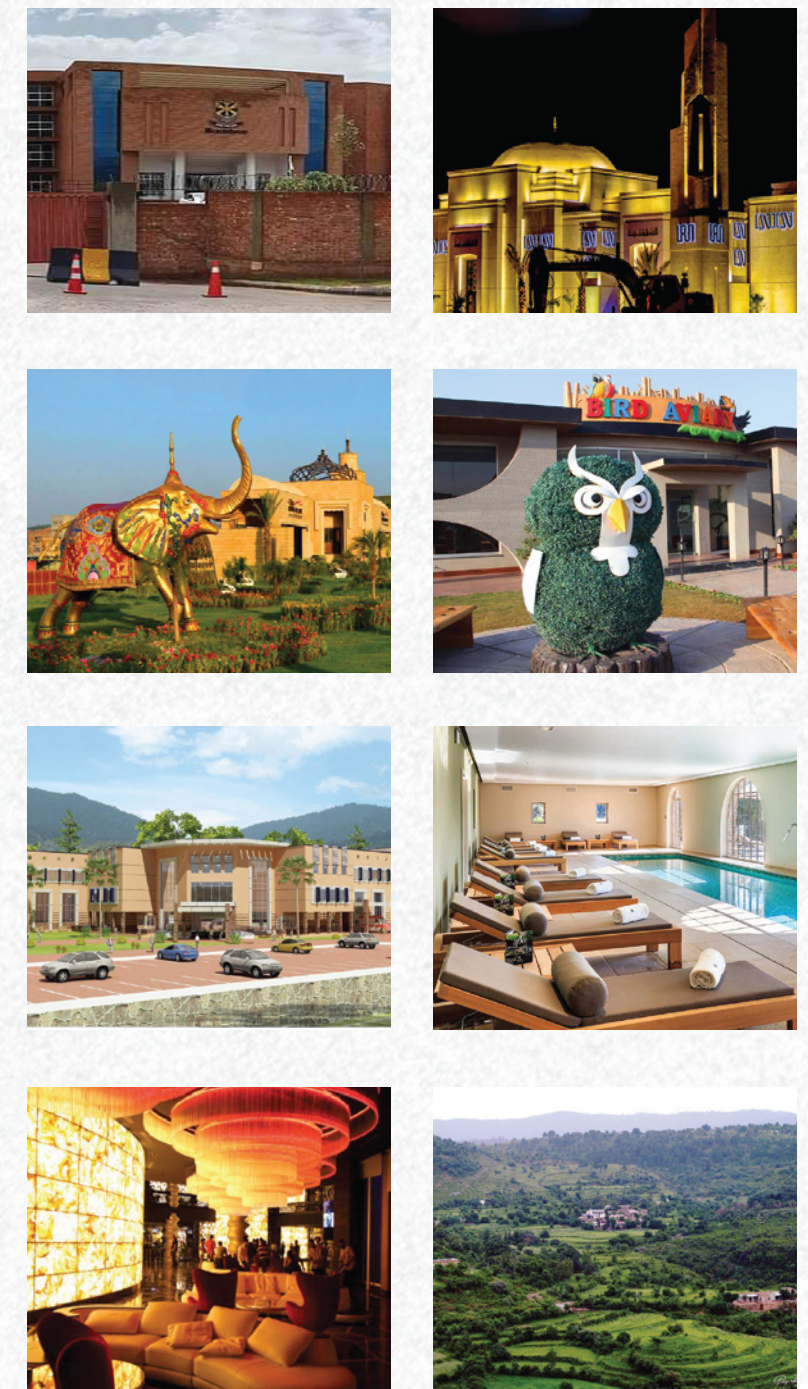

MADINA MAC RESIDENCY

Bahria town has been consistent in providing the highest quality living for the residents of Pakistan, with Bahria Enclave being the most stunning one. The green hilly surroundings, embroidered with arrogant but gorgeous pine trees that makes living in the community no less than a Holiday.

THE NEW FACE OF LUXURY & LIFESTYLE

In the heart of the master development of serene Bahria Enclave, emerges Madina Mac Residency. An innovative mixed-used mega project being built in compliance with international standards of construction. The most distinctive feature of this complex is the layout planning of the shops and apartments. The residences are divided into 6 separate towers to obtain sufficient flow of air, inflow of natural light, and breathtaking external views of Margalla Hills.

LUXURY APARTMENTS

MADINA MAC RESIDENCY

Madina Mac Residency offers an unparalleled living experience with the most modern and deluxe residential apartments. Each apartment is carefully designed in such a way to make natural light, fresh air, and breathtaking external views available to all residents.

It is one of the first buildings in Islamabad to offer smart home solutions. The residents will be able to watch their home from anywhere in the world provided connectivity to the internet. All non standard materials and fixtures would be available as options depending on personal choice and brand preference.
